P R O D U C T S , I N C .

## Standard Duty Deadbolts

### Available With Interchangeable Core

A commercial quality deadbolt that provides a positive deterrent to forced entry. A massive free spinning cylinder guard ring will withstand massive attempts to force the cylinder. The cylinder recesses into the door to resist blows attempting to move the lock.

### ● - INTERCHANGEABLE CORE:

Interchangeable core locks will accept compatible 6 or 7 pin cores with BEST, FALCON and ARROW. Add "IC" before part number.

Interchangeable Cores: Available combined or uncombined.

Temporary construction cores available.

Factory keying with control key and masterkey available.
