**CAL-ROYAL PRODUCTS, INC.**  
and  
**DKS Steel Door & Frame Systems, Inc.**  
are now  
**Florida Building Code Approved!**

Florida Building Code #: [FL13922](#) and [FL13624](#)

September 2010

To All Our Valued Customers:

Cal-Royal Products, Inc. and DKS Door & Frame Systems, Inc. are pleased to announce the approval of our door hardware and hollow metal doors for exterior use within the state of Florida and participating states including Louisiana, Alabama, Mississippi, and Georgia.

We have also made application for acceptance within the State of Texas.

To view the complete information, please log on to [www.floridabuilding.org](http://www.floridabuilding.org) and select "Product Approval". For Cal-Royal, enter "[FL13922](#)" and for DKS Door and Frame Systems, follow the same link and enter "[FL13624](#)".

Please Note:

Within the state of Florida, Dade and Broward Counties require door, frame, and hardware system use.

Approved Cal-Royal Hardware types include:

- Grade 1 Genesys lever locks
- Grade 2 SL lever locks
- Grade 2 T300 dead locks
- Grade 1 F9900 rim panic bar fire exit device
- Grade 1 F9900V vertical rod fire exit device

Approved DKS Door types include:

- 1800/17 Series 18 gauge 6 panel doors
- 1800 Series 18 and 16 gauge flush doors
- 4000 Series 16 gauge frames

Thank you for your support. We look forward to serving you.
