

ADHESIVE WEATHERSTRIP SPECIFICATIONS

- » Adhesive Weatherstrips are made from Silicone Rubber with 3M Adhesive Tape that can handle various applications and high temperature (effective between -58°F and 450°F).
- » High Quality Self Adhesive with strong initial adhesion and long term holding power.
- » Provides a simple and cost-effective way to create a seal around your door frame.
- » Non-Toxic and Self-Extinguishing; Resistant to sunlight, ozone, oxidation, weather, water and flames.
- » Impermeable to mildew and fungus; will not degenerate under normal exposure.
- » Used for Wood or Hollow Metal Frames.
