

MDSB – NingBo GuangSha Building Material Manufacture

MATERIAL SAFETY DATA SHEET (MDSB)

1. Product and Company Identification

Product Name	Door Hardware
Product Number	See Attachment
Chemical Classification	Copper, Zinc, Iron, Aluminum, Rubber
Company Name	NingBo GuangSha Building Materials Manufacture
Address	Shiao ZhangTing Town, Yuyao, Zhejiang, China
Phone Number	86-574-62980818
Fax Number	86-574-62980819
Emergency Phone Number	86-574-62980818
Contact	Jing Jing Yang

2. Composition Information on Ingredients

Component-Chemical Name	Door Hardware
Brass	Cu 58%, Zn 32%
Stainless Steel	Fe 88%, Ni 8-10%, C<0.22%, Mn<2%
Aluminum Alloy	Al 97%, Fe<0.35%, Mg<0.35%, Si<0.6% Others <2.5%
Steel	Fe 98%, C 0.42-0.5%, Ni<0.3%, Mn 0.5-0.8%

3. Hazard Identification (The most Important Health Hazards and Reaction)

Emergency Overview	None
Health Hazards and Reactions	None
Environments Impact	None
Physics and Chemical Hazards	None
Specific Hazards	None
Cardinal Symptoms	None
Hazards Classifications	None

4. First Aid Measures

Eye Contact	Use Water to Wash.
Skin Contact	Use Water to Wash.
Inhalation	Not Applied
Ingestion	None
Protection to First-Aid	None

MDSB – NingBo GuangSha Building Material Manufacture

5. Fire Fighting Measures

Suitable Extinguishing Media	Non-Flammable.
Special Hazards in Fire	Non-Flammable. Not Applied
Special Fire Fighting Procedure	Not Applied
Required Special Protective Equipment for Fire Fighter	None

6. Accident Release Measure

Personal Precaution	Solid. Not Applied
Environmental Precaution	Solid, Not Applied
Method for Cleaning	Solid, Not Applied

7. Handling and Storage

Handling	Gloves and Back Brace.
Storage	Dry Area.
Chemical Classification	Copper, Zinc, Iron, Aluminum, Rubber

8. Exposure Control, Personal Protection

Engineering Measures	Final Products
Control Parameters	Follow the Templates.
Personal Protection Equipment	Eye Glasses
Hygiene Measures	Wash Hands after Contact.

9. Physical and Chemical Properties

State of Substance	Solid
Color	Various.
Appearance	Solid
Oder	None
PH Value	None
Boiling Point	>1200 C
Flash Point	None

10. Stability and Chemical Reaction Properties

Stability	Very Stability
Condition to Avoid	None
Material to Avoid	Acid
Hazards Decomposition Products	None

MDSB – NingBo GuangSha Building Material Manufacture

11. Toxicological Information

Acute Toxicity	Not Applied for Solid Status
Local Feeected	None
Sensitivity	None
Chronic or Long Term Toxicity	Chronic copper poisoning on the liver and kidney harm
Special Reactions	Copper chronic poisoning hazards of eye contact

12. Ecological Information

Possible Environmental Impact / Environments Run-Offs	Copper content in water more than 0.015-3.0mg /L pairs of fish with toxic
---	---

13. Disposal Consideration

Products Discard Disposal Method	Non-toxic can be discarded or recycled.
Package Disposal Method	Non-toxic can be discarded or recycled.

14. Transport Information

Special Transportation Method	Keep Dry.
-------------------------------	-----------

15. Regulatory Information

Applicable Regulation	
-----------------------	--

16. Other Information

Reference Document	Chinese Environment and Health Center of the Industrial Technology Research Institute
Data Sheet Prepared	NingBo GuangSha Builing Material Manufacture
Telephone Number	86-574-62980818
